Position: Adjunct Instructor – Aircraft Structural Technology (Part-Time)

Savannah Technical College is seeking a part-time instructor with experience in the field of Aircraft Structural Technology. This person will be responsible for teaching courses in the Aircraft Structural Technology program, which includes basic aircraft blueprint reading, safety, flat pattern layout, quality standards, fastener location in accordance with specifications, hand tools, and precision measuring instruments. May assist in the continued development of other aviation related programs, such as avionics/electrical systems and interiors/cabinetry. Works under general to limited supervision, reporting to the Dean of Aviation Technology.

Education and Occupational Experiences:
- Completion of a Diploma program in Aircraft Structural Technology or related field at an accredited college or university; Associate’s or Bachelor’s Degree preferred.
- Must have three (3) years of aircraft structural assembly experience within the past seven (7) years.
- Federal Aviation Administration (FAA) Mechanic’s Certificate with Airframe & Powerplant Ratings preferred.
- Experience in avionics is desired.
- Teaching experience at a postsecondary institution and/or corporate environment is strongly desired.
- Must demonstrate excellent written and oral communication skills along with computer skills.

Responsibilities
- Duties include a flexible schedule of lecture, lesson planning, student advisement, and registration, which may involve split teaching shifts and/or travel to multiple campuses.
- Instructs students, evaluates and records student progress in attaining goals and objectives.
- Advises/counsels students, maintains appropriate student records on each student; provides student registration assistance.
- Ensures compliance with accreditation standards of regional and national accrediting agencies.
- Ensures safety requirements are met in the classroom and laboratory environments.
- Completes reports and requests for information from internal and external departments and agencies.
- Monitors student use of supplies, materials, and equipment. Reports inventory and orders supplies/equipment as necessary.
- Recruits new students to the Aviation programs, and manages student retention.
- Performs other duties as assigned by the Dean of Aviation.
- Follows all policies and procedures of Savannah Technical College.

Physical Demands
Teaching responsibilities are typically performed in a classroom/lab environment with the employee intermittently sitting, standing, walking, bending, pushing, and pulling for three (3) – four (4) continuous hours at a time. The employee frequently lifts lightweight objects up to 50LBS. The work is performed in campus buildings and outdoors where the employee is occasionally exposed to cold or inclement weather. The exposure to dirt, dust, grease, machinery with moving parts, chemicals, and fumes is possible in the laboratory environment. The ability to distinguish colors is required for purposes of electrical wiring. The ability to speak clearly, hear, and understand at a normal conversational level is required.

Salary/Benefits
Salary is commensurate with education and work experience.

Application Deadline
For best consideration, applications should be received by August 30, 2013. Position considered open until filled. Candidates must pass a criminal background check. Applicants must submit a completed Savannah Technical College Employment Application, a cover letter, and a resume (incomplete submissions will not be considered). Applications may be downloaded at: www.savannahtech.edu. Please submit the completed application, cover letter and resume to:
