Position Announcement

Position: Dean for Industrial Technology

Under supervision of the Vice President for Academic Affairs, manages initiatives related to the Industrial Technology programs and instructional services including community, high school and college programs; E-learning and faculty development. Serves as a liaison between Instructional Services and other units of the college.

Minimum Qualifications

- A Master's degree from a nationally or regionally accredited college or university in a vocational field or occupational supporting discipline such as Business Administration, Educational Leadership, or a closely related field.
- Appropriate degree will reflect the requirements of college accrediting agencies *and* at least three years of full-time paid work experience within the past seven years in business, industry, education or military environments.
- Three years of employment must have been as a full-time instructor in an Industrial Technology Program.
- Demonstrated skills in training and/or personnel development.
- MUST possess and maintain the appropriate professional credentials required for or related to the field or position.

Preferred Qualifications

- Experience in curriculum development, instructional methodology, planning, evaluation, budgeting, supervision and management.
- Three years educational administration experience as an instructional program department head.
- Understanding of the mission and philosophy of technical education.
- Prior experience in the development, administration, and evaluation of academic programs.
- Computer skills and ability to use common software programs. Including, but not limited to BANNER, Angel, and Microsoft Office.
- Experience in project management, information technology, accreditation, and grant writing.
- Excellent oral and written communication skills.

Physical Demands

The employee occasionally lifts or moves objects of a light to medium weight. The ability to speak clearly is required. The ability to hear and understand at a normal conversational level is required. Work is typically performed in an office environment with intermittent sitting, standing, or walking in various settings. The employee must be able to lift up to 25 pounds. Full range of hand and finger motion is required for data entry purposes.

Salary/Benefits

Salary is commensurate with education and work experience. Benefits include paid state holidays, annual and sick leave, and the State of Georgia Flexible Benefits package.

Application Deadline

For best consideration, applications should be received by May 24, 2013. Position considered open until filled. Candidates must pass a criminal background check. Applicants must submit a completed Savannah Technical College Employment Application, a cover letter, and a resume (incomplete submissions will not be considered). Applications may be downloaded at: www.savannahtech.edu. Please submit the completed application, cover letter and resume to:
